Our Vision

Through incorporating streetwear culture and the utilising the current APE hype, we decided to launch BAPE. Our vision is to continually do community giveaways, release NFTS, staking, play2earn game and a free Bored Ape Yacht Club NFT at 100M!

The world is ready for change. It is no longer about an individual but about the whole. That is what the meme sector in the cryptocurrency world has shown us. The gamestop event, DOGE token, Shiba, Safe-Moon and you name it, these have not been raised by an individual, but by a community.

A real community has the same goal, wants to achieve something and believes in each other. They do this not because an individual is rewarded for it, but because they are all rewarded for it. They join forces and communicate with each other, share ideas, and build a think tank masterminds.

The traditional marketing tricks where potential consumers are deceived is over, the current generation sees that. Through social media, the community shows the whole world what they stand for. They are hungry and want to reach their goal. Just like we will..

NFT Giveaway

Bored Ape Yacht Club NFT Giveaway at 100M MC

How are winners selected?

Each holder will have an equal opportunity to win in proportion to their holding % of the supply. So if you hold 1% of the supply you will have a 1% chance to win the BAYC NFT. We will be releasing a dAPP to automate this process and to show that we are completely transparent.

BAPE Mystery Box

The most exciting item for BAPE coin is the mystery boxes! You never know what you're going to get. Common boxes are always available for public purchase, while other rarity level boxes will only be available through limited events.

Each of these NFTs give a unique APY when staked. With up to 900%APY for the ultimate NFTs.

NFTs and token staking

BAPE coin will also allow its investors to stake their tokens or NFTs in order to achieve a high APY return. This means all you have to do is buy, stake and chill! This staking platform will be created through a partnership with another project (details will be released in due time).

Play2Earn Game

The most interesting utility about BAPE coin is the play2earn game which will also be coming out. This will be available on all mobile platforms as well! This will allow investors to not only earn passive income through staking but to also do so by playing our game. The potential for a earning more than initial investment is limitless here with BAPE coin.
